### **MEDIA ADVISORY: Mayor's Annual Scholarship Fair Returns to Malone University**

CANTON, Ohio – Mayor William J. Healy is pleased to announce that he will be holding his second Annual Scholarship Fair, hosted by Malone University located in the Johnson Center. The Scholarship Fair will begin at 7 p.m. and end at 8:30 p.m. on Wednesday, September 21.

The Scholarship fair provides an opportunity for Canton students to learn more about the educational institutions that are participants of the Mayor's Scholarship Program. Many of the institutions will have representatives present available to personally speak with students about the scholarship opportunities at their respective schools.

The Mayor's Scholarship Program, which awards scholarships to students based upon their academic performance and service to the community, provides an exclusive opportunity for Canton students to further their education.

"I am thrilled with the growth of the program, and the amount of students that are taking advantage of this opportunity," stated Mayor Healy. "The educational institutions participating in the Scholarship Program have made a truly remarkable commitment to our community and we are very grateful for their generosity."

Since the introduction of the Mayor's Scholarship Program, in 2009, introduced by Mayor William J. Healy, nearly 250 students have applied to the Mayor's Scholarship Program.
